

Frost's Home

We adopted Carrie (Frost) in June of this year. Frost has been and is a pleasure in our home. She is growing like a weed!

Thank you for all you do. Nancy and Dick Parrott [8/22/2008]

We adopted Carrie/Frost from you in June of 2008. She is almost not a kitten anymore! Dick has called her Widget so often, she actually comes to that "name" more than Frost. She is his "watch cat" in his home office. She jumps in his lap, licks his chin, jumps down and then lays in the doorway, watching....

We thank you again for allowing her to come live with us.

Love, Nancy and Dick Parrott [12/18/2008]
