

Roxy's Home

*Hi Everyone! We just wanted to send you a few pictures of Roxy (we decided not to change her name). She is growing so fast- she is now 4 lbs of pure energy. She is such a joy to have in our home, and she keeps her big sister, Princess, on her toes! She is happy and healthy, and we are so glad that she found us. Roxy has such a great personality, and she always keeps us laughing! She is definitely a lap cat and makes it a point to sleep on top of her mom's head every night. We bought her a pink dress, which surprisingly she loves! We are currently looking to get her a cute halloween costume, so we will send you some pictures of that when we do. Thank you so much for all that you do- you make a difference in the lives of so many cats, and you bring love and joy to so many families! We couldn't imagine a life without our little furbaby!
Warm regards, Steph, Jim, Roxy, and Princess [9/27/2008]*

It was good to see you all today at Petsmart! As promised, here are some updated pictures of Roxy. She is getting so big and is becoming more soft and beautiful by the day! Her and her sister are getting along great- Roxy definitely keeps Princess on her toes! The last picture is of Roxy in Pittsburgh for the holidays last year- she is such a little Steelers fan! We are going to head up north again for Thanksgiving and Christmas. Take care and keep up the good work!!!
