

Stinker

I wanted to share a few pictures of a kitty that I adopted from you back in 2004. I found you guys at "Pet Smart" on New Centre Drive in Wilmington, N.C. You had given him the name "Barney" but I re-named him; he was only 3 months old; so young enough to change his name!

OK, well...the name I gave him wasn't the best BUT fit's him well. I named him "Stinker" and I call him "Stinky"

He is the MOST loving cat, I think, I have EVER had! At the time, when I adopted him, my beloved cat "Topaz" had just passed away. I came into Pet Smart & saw this cute kitty that just warmed my heart & seemed to ease the pain that I was feeling from losing Topaz!

To this day, I have my little "STINKER" LOL! & he fills my days & nights with so much love! He is so precious! I just want to Thank You for the wonderful job you do and for giving people like myself the chance to give a LOVING home to a pet that needs it! Enjoy the pictures!

By the way...he's my computer buddy! He always lays on the back of my chair while I work!!!! LOL!
